MacCardiac Rehabilitation Program
Physician Referral Form

For completion by Referring Physician

As an entry requirement of the program, I have conducted/referred my patient for a cardiopulmonary exercise test. I have reviewed the results and the patient is clear to exercise. Based on a recent review of this patient's health, I wish to refer my patient to MacCardiac Rehabilitation Program, which includes a physiotherapy assessment, as well as aerobic and resistance exercise.

Certification Statement: I have received authorization from this patient to release the information below and to permit the staff of the McMaster Physical Activity Centre of Excellence to contact him/her directly for follow- up.
